## SUMMARY

BS Computer Science graduate (Thal University Bhakkar, CGPA 3.58/4.00) with hands-on MERN Stack development experience and a government-certified training background. Skilled in building responsive, production-ready web applications using React, Node.js, Express.js, and MongoDB. Completed 3 months of real-world frontend development at CodesVista and delivered an AI-powered full-stack project (Smart Resume AI). Actively seeking frontend or full-stack internship opportunities where clean code and practical skills create real impact.

## EXPERIENCE

**MERN Stack Web Development Trainee** NAVTTC — Summer of Code | Islamabad F1004/2025 – 07/2025

- Completed an intensive government-funded MERN Stack training program under NAVTTC's Summer of Code initiative
- Gained hands-on experience with MongoDB, Express.js, React, and Node.js
- Built and deployed full-stack web applications from scratch
- Developed skills in REST API design, component-based UI development, and database management
